Dear Business Owner,

The Parent Teacher Association of Danielle Joy Peterson Elementary School is planning a silent auction fundraiser, scheduled for Friday, September 25th. "Paws Up For Peterson" will be held at a local restaurant and will have food, live music, and the silent auction. The proceeds from this event will be used toward building and enhancing an outdoor learning area for the Peterson students and teachers to benefit from and enjoy. The outdoor learning area will be adjacent to the school and will be used for many educational activities such as science experiments and reading centers.

We would greatly appreciate any donation you can make. Your donation will help make this fundraiser successful and will help ensure that the students have a creative and inspiring new "classroom" in which to learn. The Peterson PTA is a 501(c)(3) non-profit organization so your donation is tax deductible. Peterson's Tax ID is 36-3662355.

During the weeks prior to the event, we will be contacting our school community of 570 students via emails, facebook, etc...detailing the event. Included in the communications and at our PTA meeting we will be giving special recognition to the businesses that are supporting our school. In addition, should you make a donation, your business will be recognized at the fundraising event.

Thank you for your time and consideration of our important event. If you have any questions or need further details, please feel free to contact me.

Sincerely,

Denise Mascari

PTA Secretary
